Guidance on visiting Arboretum of Ruhande

Dear **Friends of Nature, our Guests,**

Welcome to **Arboretum of Ruhande!**

Arboretum of Ruhande is our research live laboratory at Rwanda Forestry Authority (RFA). It has **454 plots** covering approximately **200 hectares**, and hosts around **500 native** and **exotic plant species**. It is a home of biodiversity of various **mammals, birds, amphibians** and **insects**. RFA advises all interested visitors, be it for education and research purpose or beauty of nature, that the Arboretum of Ruhande remains open for trekking and exploring its biodiversity (fauna and flora) as well as its natural beauty.

On that note, we recommend you adhere to schedule your visit with us in a bid to provide you an impeccable forest service.

Schedule your visit by sending us mail to the addresses below at least **7 days before** your visit.

Important information to provide while booking;

1. Name of booking person/ group leader and affiliation
2. Date & time of visit
3. Purpose of visit
4. Number of visitors
5. Any special request to RFA for consideration

Note: Visitors are received only in working days from **9:00 am** to **5:00 pm**.

You can also visit the Arboretum of Ruhande online via: <https://arboretum.cyamudongo-rwanda.de/map/>

Once again, you are most welcome to the tall trees that possess a sweet serenity that keeps all safe in the forest from delinquent harm and stark human demoralization!

Sincerely,

Dr. Concorde NSENGUMUREMYI
